

# Tears Are Falling

The Youngbloods

Tears are falling from your eyes  
You've been hurt by all those lies  
About me, about me  
They say my love is wrong for you babe  
They say it won't be long before  
I'll walk out on you  
Say the fun is through  
Get me someone new  
And do you believe  
Don't play the fool

Turn your back and walk away  
Listen to your people say  
About me, about me  
He's never satisfied with you babe  
Lord I know he said he'd die for you  
But he doesn't mind  
If you're left behind  
Yeah, we know he's kind  
And do you believe  
Don't play the fool

I don't understand  
Who you think I am  
Am I your man  
Am I your man

Hearts can see but eyes are blind  
No one knows my second mind  
No one but me, no one but me  
You know how you feel babe  
Yes, and that is all that's real  
And if I say what I feel today  
Won't fade away  
Then do you believe those little fools  
Oh, yes you will  
Yes you will now
