

That's How Strong My Love Is

The Youngbloods

If I was the sun way up there
I'd go with her most everywhere
I'll be the moon when the sun go down
Just to let her know I'm still around

That's how strong my love is, darling
That's how strong my love is
That's how strong my love is
That's how strong my love is

I'll be the weeping willow drowning in my tears
You can go swimming when you are here
I'll be the rainbow when the tears are gone
Wrap you in my colours and keep you warm

That's how strong my love is
Oh baby, that's how strong my love is
That's how strong my love is
That's how strong my love is

I'll be the ocean so deep and wide
Get your tears whenever you cry
I'll be the breeze when the storm is gone
To dry your eyes and loves you once more

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

I'll be the ocean so deep and wide
Get your tears whenever you cry
I'll be the breeze when the storm is gone
To dry your eyes and loves you now, darling

Oh, I love you, yes I do
And my love is so strong for you

That's how strong my love is
That's how strong my love is
That's how strong my love is
That's how strong my love is

That's how strong my love is
That's how strong my love is
Oh my love, oh my love is so strong, darling
Oh, it's been so long, darling

That's how strong my love is
That's how strong my love is
