

The Dolphin

The Youngbloods

This old world will never change the way it's been
And you know all our ways of war can't change it back again
I've been a-searchin' for the dolphin in the sea, yeah yeah
Sometimes I wonder, do you ever think of me?

Lord, I'm not the one to tell this old world how to get along
I only know that peace will come, yes when all our hate is gone
I've been a-searchin' for the dolphin in the sea
Sometimes I wonder, do you ever think of me?
