## **The Dolphin**

## The Youngbloods

This old world will never change the way it's been And you know all our ways of war can't change it back again I've been a-searchin' for the dolphin in the sea, yeah yeah Sometimes I wonder, do you ever think of me?

Lord, I'm not the one to tell this old world how to get along I only know that peace will come, yes when all our hate is gone I've been a-searchin' for the dolphin in the sea Sometimes I wonder, do you ever think of me?
