

## Pyramid Scheme

The Zolas

Take a vow  
Take a vow of jealousy  
Falling strangers call your name but  
Take a vow

It never was you  
The one to come through  
You keep me subdued with painted tongues  
And I get darker as you get lighter  
And I get smarter as you get dumb

I don't mean to disappoint you  
But I won't be your little guy  
Cause you know I'm gonna fight  
Through the sunshine and through the night  
I'm coming!  
(War!)

Fee-fi, fee-fi-fo-fum  
I smell the blood of a Caucasian  
Be we alive or be we dead  
He'll grind our bones to make his bread  
One day I saw one while climbing a tree  
He said, "I'm gonna let you in on my pyramid scheme"  
I said "thank you for the offer, but it's not for me, see  
I'd rather be a man in the skin of a beast  
Than be a beast in the skin of a man"  
And then he knocked me out

Shake me from this wretched dream  
Staring at the great unseen  
We ain't got nothing because nothing's clean  
We ain't got nothing because nothing's free
