

Imagine The Swan

The Zombies

Well I have a picture in color of you
And it's there in my room to remind me of you
So it was with surprise that I saw you today
And I did not recognize you, girl, what more can I say?

For the colors are gone
You've become kind of gray
And you're not like the swan
That I knew yesterday...

Now the pictures are wrong
You've become kind of gray
I imagine the swan
That you were yesterday...

The sadness that I felt was hard on my eyes
And the truth on my face was hard to disguise
So I let you walk by
I turned out of your way
And I tried to close my eyes
And let the sadness fall away...

For the colors are gone
You've become kind of gray
And you're not like the swan
Imagine The Swan
That I knew yesterday...

Now the pictures are wrong
You've become kind of gray
I imagine the swan
That you were yesterday...
