

Nothing's Changed

The Zombies

It's a mistake going back
They tell me that nothing's the same ever again
But when you walked through the door
It was just like before
Oh, nothing's changed, no

When I saw you again, little girl
Something stopped here inside
And I wanted to hold you
And tell you, I loved you just like before

Oh, oh
This is just one day
But one day is enough to start all over again
Give me just one day
And we will begin all over again

You didn't mean to hurt me before
But you did, you did
But now you're sorry now, I know

Oh you're sorry, I can see
'Cause when you saw me again
You smiled at me then
Like nothing's changed, no

It's gonna be easy this time, I know, I know
Come on, just try me one more time
I know it's gonna work out just fine
Start all over, start all over again
