

Runaway

The Zombies

I want to run away
Just one more time
How can you make me feel my love was such a crime
I wanna love you
For all my life

I want to hide away
I wish I knew
How can I hide away this feeling here for you
I wanna have you
For all my life
I'm gonna live for the day
And hurt no-one
I'm gonna find me a way
To keep it on the run
For all my life

I'm gonna live for the day
And hurt no-one
I'm gonna find me a way
To keep it on the run
For all my life

I wanna run away
Just one more time
How can you make me feel my love was such a crime
I wanna love you
For all my life
For all my life
For all my life
