

Opium Shades

Theatres Des Vampires

Spirit of delirious dream
You own my mind,
You own my sight
Bring me to your endless spell
You hold my life
You hold me tight

Eat my soul, eat my flesh
Take my will, take my hands
Drag me to hell
I won't go back
Eat my soul, eat my flesh
Take my will, take my hands
I won't go back

I feel your poison running into my veins
I feel possessed, I lose control
Opium shades

It's a vision or a dream,
Through the light I see
The sacred river runs
Down to a sunless sea
A lifeless world
My visions hang me
