

# Parasomnia

Theatres Des Vampires

A cross on the wall  
Another day is gone  
I'm still here with my fears  
It's my goal, it's my soul

I swing on the madness brink  
A shotgun.. hits me  
Too late to wake  
Too dark to see  
They hit me again, shot to the brain

It owns me  
It rapes me  
It graves me  
It kills me

Time is flowing backwards  
My head goes forwards  
For a while it will stop

My nightmare comes again  
Time is flowing backwards  
My head goes forwards  
And I'll be just a prey  
My nightmare comes again  
Please help me  
Please help me  
And wake me up

This dream is hanging me  
It just won't let me go  
I slide down, I drown  
Leave me alone, leave me alone

There is no turning back  
It is too late to wake  
A white line, I walk straight  
Lost in my mind, alone and blind

It owns me  
It rapes me  
It graves me  
It kills me

Tick tock, tick tock  
Goes the clock  
Time flows backwards  
For a while it will stop  
My nightmare comes again  
Tick tock  
Goes the clock  
Time strokes once more  
And I'll be just a prey  
My nightmare comes again
