

## Robber Barons

Thee Oh Sees

Whiff, a hint  
Burnt family  
Robber barons  
High up they see  
They crush and kill  
Most certainly  
A toad, a road  
Homes and cities

Wait, a plan  
So simple, see  
We turn our backs  
On kings and queens  
The land, the sea  
Majestically  
They are yours  
You are free

Whiff, a hint  
Burnt family  
Robber barons  
High up they see  
They crush and kill  
Most certainly  
A toad, a road  
Homes and cities
