

## Strawberries 1 + 2

Thee Oh Sees

Sweet cannonball  
We are neutral  
We don't belong here  
We are not persons  
But I don't really know

Stand the slayer  
Say it normal  
Where you are  
You take it personal  
I don't readily know

Say it low  
Information  
Say it slow  
So I learn it  
I don't readily know

We are future  
We are persons  
Without weapons  
How refreshing  
I don't readily know
