

# Never Be Alone

TheFatRat

You, you gonna break my heart  
You gonna tear it apart  
No matter what you do  
I still be there for you  
And when you call my name  
I won't be far away  
No matter where you go  
You never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Will you never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Now you never be alone, be alone

Will you never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Now you never be alone, be alone, be alone  
Now you never be alone, be alone

You, you gonna break my heart  
You gonna tear it apart  
No matter what you do  
I still be there for you
