

Solitude

TheFatRat

I've been thinking about the way you look
The way you talk, the way you turn
I've been thinking about the way you move
The way you love, the way you are

I can't pull myself away
Even though I know you do me wrong
I can't pull myself away
Even though I know you do me
Me [x30]
Do me wrong

Even though I know you do me wrong

I've been thinking about the way you look
The way you talk, the way you turn
I've been thinking about the way you move
The way you love, the way you are

I can't pull myself away
Even though I know you do me wrong
I can't pull myself away
Even though I know you do me
Me [x30]
Do me wrong

Even though I know you do me wrong

I've been thinking about the way you move
I've been thinking about the way you move
