

Violet Sky

TheFatRat

This is getting heavy but I carry on (carry on, carry on)
Visions of a holy place that I call home (I call home, I call home)

Violet sky
Troubled water
Sweat in my eyes
Getting stronger

This is getting heavy but I carry on
Only seeing fragments now
Visions of a holy place that I call home
I will never turn around

This is getting heavy but I carry on
Only seeing fragments now
Visions of a holy place that I call home
I will never turn around
This is getting heavy but I carry on
Only seeing fragments now
Visions of a holy place that I call home
I will never turn around

Violet sky
Troubled water
Sweat in my eyes
Getting stronger

This is getting heavy but I carry on (carry on, carry on)
Visions of a holy place that I call home (I call home, I call home)
I call home, I call home
I call home, I call home)

This is getting heavy
This is getting heavy
This is getting heavy
This is getting heavy

This is getting heavy but I carry on
Only seeing fragments now
Visions of a holy place that I call home
I will never turn around

Violet sky
Troubled water
Sweat in my eyes
Getting stronger (getting stronger, getting stronger)
Getting stronger, getting stronger)
