Bye Bye

Theia

I'm saying no way
Ain't tryna play games
You always gotta take
Ain't nothin' to say

You're coming in late
I been here all day
Just stay in your place
It better that way

See me bleeding gold
And make me fit your moulding
(And I know why, yeah I know why)

Used to think I'm playing
Now ya tryna claim me
(And I know what ya doing,
Think I don't see?)

I don't need your fake ass
Hanging round me
(So it's bye bye, bye bye)
I ain't just a ride you gettin' for free
(So drive by, bye bye)
You think you know all about me
But you don't know a thing about me!
I don't need your fake ass
Hangin round me
So it's bye bye, bye bye!

Now you think I'm hella pretty
And I'm only just for show
Got you askin' for that something
I can tell you where to go

I been working day and all night
Now that tide is starting to rise
You had nothin to do with my life
Had nothin to do with my shine

Cos I'm drippin in diamonds
I don't need your lyin'
(And I know why, yeah I know why)

Used to think I'm playing
Now ya tryna claim me
(And I know what ya doing,
Think I don't see?)

I don't need your fake ass
Hanging round me
(So it's bye bye, bye bye)
I ain't just a ride you gettin' for free
(So drive by, bye bye)
You think you know all about me
But you don't know a thing about me!
I don't need your fake ass

Hangin round me
So it's bye bye, bye bye!

I don't wanna be the one you hate
Maybe this the sacrifice I make
I don't wanna be the one you hate

I don't need your fake ass
Hangin round me
(So it's bye bye, bye bye)
I ain't just a ride you gettin for free
(So drive by, bye bye)
You think you know all about me
But you don't know a thing about me!
I don't need your fake ass
Hangin round me
So it's bye bye, bye bye!
