Theia

You're a criminal think everyone's a witch
Sucker for the danger acid on your lip
But make no mistake I know you're a fake

Playing with the big boys, you don't understand
I'm not the good girl, you think that I am
But it's way too late to call you a saint

If you don't like it move on
Get a clue cos I'm bored
You're too old school it shows
And you know there ain't no stopping me

I don't like the way you are
You and all your wannabes
Don't tell me what to do
Like you're some celebrity

La la la la la
La la la la
La la la la la
You never, no you never learn

Secret love affair convinced that you're a star
Groupies on your arm they're lying in your car
Cos you want the fame but no one knows your name

If you don't like it move on
Get a clue cos I'm bored
You're too old school it shows
And you know there ain't no stopping me

I don't like the way you are
You and all your wannabes
Don't tell me what to do
Like you're some celebrity
