

Everything

Theia

I shoulda known better
That we would both crash and burn
And now you're fooling me forever
When you said it was over

Everything I do, my one regret is you
Everything I do, my one regret is you
Everything I do, my one regret is you
Everything I do
Everything I do

My body, your body
A party, I want
Can't get over that
Can't get over that
My body, your body
My party, I'm gone
Can't get over that
Can't get over that

Ooh I, ooh I, ooh I, can't get over that
Ooh I, ooh I, ooh I, can't get over that

I could have done better
Yes I could have done so much more
And now it's far too late to save you
We both know that it's over

Everything I do, my one regret is you
Everything I do, my one regret is you
Everything I do, my one regret is you
Everything I do
Everything I do

My body, your body
A party, I want
Can't get over that
Can't get over that
My body, your body
My party, I'm gone
Can't get over that
Can't get over that

Ooh I, ooh I, ooh I, can't get over that
Ooh I, ooh I, ooh I, can't get over that
Ooh I, ooh I, ooh I, can't get over that
Ooh I, ooh I, ooh I

One thing's for sure
We wouldn't end well
One thing for sure
Was gonna go down
We went off sideways
And you're never in town
You're never around

Can't get over that

Can't get over that
