Do Something About It

Thelma Houston

Baby, you've been giving me a hard time
Even when I try to sleep by fine
I just lie awake and think about you
All night long you're walkin' through my mind

Hey, hey, hey
Ever since I saw you for the first time
I had this achin' feelin' in my heart
I can't remember when I've had a worse time
And as a warning you, it's tearin' me apart, yeah

Now, you gotta do something about it
Baby, it's plain to see
Now, you gotta do something about it
You gotta give your love to me

Hey, hey, hey
I can't keep on going on this way now
Gotta have some sweet relief from you
I may have a breakdown any day now, yeah
And it all depends on what you do, yeah

Now, you gotta do something about it
Baby, it's plain to see
Now, you gotta do something about it
You gotta give your love to me

Hey, hey, hey
I can't keep on going on this way now
I gotta have some sweet relief from you
I may have a breakdown any day now, yeah
No, it all depends on what you do, yeah

Oh yeah, hey, hey, hey
I may have a breakdown any day now
Oh, so (do something about it)
No, it all depends on what you do, yeah
(Do something about it)
I may have a breakdown any day now
Oh, yeah (do something about it)
And it all depends on what you do, yeah

(Hey, hey, hey)
I can't keep on going on this way now
(Do something about it)
Gotta have some sweet relief from you, yeah
(Do something about it)
I may have a breakdown any day now
Oh yeah (do something about it)
And it all depends on what you do
Oh yeah (hey, hey, hey)
I may have a breakdown any day now
Oh yeah (do something about it)
No, it all depends on what you do
(Do something about it)
