Givin' It All

Thelma Houston

All day long, what can I do
I can't keep my mind on nothin', nothin' but you
Count the hours, just waitin' for the time to pass
Now here we are together, alone at last

I'm givin' it all
I'm givin' it all to you, baby
I'm gonna love you tonight
Love you like there's no tomorrow
So give me your love
Give me your love now, baby
Come on and love me tonight
Love me – heart, body and soul
Body and soul...

Well, my love is deep, and my love is true
You just hold on to me, the way you're pullin' on to you
'Cause I've got a heart on fire
'Cause you got what I need
So let's come together, baby
You know what I mean

I'm givin' it all
I'm givin' it all to you, baby
I'm gonna love you tonight
Gonna love you like there's no tomorrow
Yes I am
So give me your love
Give me your love now, baby
You gotta love me tonight
Love me – heart, body and soul
Come on, give it to me baby...

Uh-huh, well
We've got tonight, you'll be my lover
And if I'm right
I know I can discover, yes I can
What this thing called "love" can mean
No halfways, no in-betweens
In givin' all we've got to give
To each other, why don't you come on...
Oh, give it to you, baby
I'm givin' it all to you right now, baby
Come on darling, ha

Oh, I'm givin' it all, yes I am
I'm givin' it all to you, baby
You gotta love me tonight
Love me like there's no tomorrow
Come on, come on
I'm givin' it all
I'm givin' it all to you, baby
You gotta love me
You gotta love me, love me
Like there's no tomorrow, come on, baby
Givin' it all to you now, baby
I'm gonna love ya, I'm gonna love ya

Heart, body, heart, body
Heart, body and soul, yes I am
I'm givin' it all to you, baby
Come on, get it, baby
You gotta love me, yeah, love me...

Heart, body, heart, body
Heart, body and soul, yes I am
I'm givin' it all to you, baby
Come on, get it, baby
You gotta love me, yeah, love me...
