

I've Got The Devil In Me

Thelma Houston

I've got the Devil in me
And I'm gonna do wrong tonight

Mm, the warmth of spring
Brings magic all around
And the softness of the moonlight
It makes my love come tumbling down

I'm feeling fine, I'm feeling free
And I'm gonna just let go
I'm gonna spread my wings
And do a thousand things
I've never done before

'Cause I've got the Devil in me
And I'm gonna do wrong tonight

Now, I can't explain what's come over me
Ooh, but I like the way it makes me feel
So good, how sweet the ecstasy

Tonight I'll give myself to love
And I want to just let go
I'm gonna enjoy the journey
And like a river, I'm gonna flow

'Cause I've got the Devil in me
And I'm gonna do wrong tonight
Yeah, I got the Devil in me
Sho' gonna do wrong tonight

Yeah, baby...
Ooh, I must confess
I feel possessed
I got a cravin'
For misbehavin'
Mm, it's gettin' to me
Runnin' through me
Captivated, stimulated
I wanna do wrong
I'm gonna do wrong tonight
Hypnotize, mesmerize
Can't shake it loose
Ain't no use, nah, oh...
Yeaahh...

Mmhm, got the Devil in me
Runnin' through me
(Hmhmhm...)
I got a cravin'
For misbehavin', mhm
I'm looking forward to it
To get down to it, yeah yeah
Captivated, stimulated
(Ow, ooh-ow, ooh-ow...)
Hypnotize, mesmerize
Mhm, gonna do wrong tonight

I just know it!

(I've got the Devil in me)
You see, I must confess
I feel possessed
I'm gonna do wrong tonight!
(Ow, ooh-ow, ooh-ow...)
I just know it!
(I've got the Devil in me)
Ooh, I've got the Devil in me
(Ow, ooh-ow, ooh-ow...)
(I've got the Devil in me)
Gonna do wrong tonight!
(Ow, ooh-ow, ooh-ow...)
(I've got the Devil in me)
Yes I will (Ow, ooh-ow, ooh-ow...)
Captivated, stimulated (I've got the Devil in me)
