

I've Got The Music in Me

Thelma Houston

Ain't got no troubles in my life
No foolish dreams to make me cry
I'm never frightened or worried
I know I'll always get by

I heat up (heat up), I cool down (cool down)
When something gets in my way, I go around it
Don't let life get me down
Gonna take it the way that I found it, y'all

I got the music in me
I got the music in me
I got the music in me, yeah (hey, hey, hey)
I got the music in me
I got the music in me
I got the music in me...

They say that life is circle (circle)
But that ain't the way that I found it
Gonna move in a straight line (ooh)
Keeping my feet planted firmly on the ground

I heat up (heat up), I cool down (cool down)
I got words in my head, so I say them
Don't let life get me down (don't let it get you down)
Catch a hold of my blues and just play them, 'cause y'all

I got the music in me
I got the music in me
I got the music in me (hey, hey, hey)
Yes I do, down in my bones
I got the music in me
Sho-nuff got it in me
I got the music in me...

Feel funky (woo!), feel real good y'all (woo!)
I'm gonna tell it all through the neighborhood, yeah
Gonna fly like a bird on the wing
Hold onto your hat, honey - sing, sing, sing, sing!

I got the music in me
I got the music in me
I got the music in me (hey, hey, hey)
Hey, hey, hey, yeah!
I got the music in me
I got the music in me
I got the music in me
Hey hey, yeah yeah yeah

I got the music in me
I got the music in me
I got the music...
Pretty-pretty-pretty, pretty music
I got the music in me, yeah...
