

Long Lasting Love

Thelma Houston

If I make love to you
I want you to know
It's not for the moment
I want this love to grow
Make it sure
Make it willing
Make it pure
And put it on the line

And give me a long lasting love
'Cause I don't wanna lose my heart again
Talking 'bout a long lasting love
That won't leave me behind
Mhm...

I need a lover
Who's gentle and kind
Just hold me close
And help me make up my mind
Make it strong
Make it simple
Make it free
Make it free and kind

And give me a long lasting love
'Cause I don't wanna lose my heart again
Talking 'bout a long lasting love
That won't leave me behind
What I've been dreaming of
A long lasting love

Yeah, yeah... (long lasting love)
Long lasting love (long lasting love)
I'm talking 'bout a long, long... (long lasting love)
...lasting love, yeah (long lasting love)
Talking 'bout a long, long, long, long... (long lasting love)
...lasting love (long lasting love)
(Long lasting love)
(Long lasting love)

Talking 'bout a long... lasting love

Long, long, long, long, long, long, long, long, long, long, long, long
!...

Talking 'bout a long... (long lasting love)
(Long lasting, long lasting love)
Long lasting love (long lasting love, long lasting love)
(Long lasting, long lasting love)
Talking 'bout a long, long, long, long... (long, long lasting love)
...lasting love (long lasting, long lasting love)
Talking 'bout a long... (long, long lasting love)
...lasting love (long lasting, long lasting love)
Through all together, forever (long lasting, long lasting love)
Longer than time (long lasting, long lasting love)
Talking 'bout a long, long, long, long... (long lasting love, long lasting l
ove)

...lasting love (long lasting, long lasting love)
Long lasting love (long lasting love, long lasting love)
Long lasting love, yeah (long lasting, long lasting love)
I'm talking 'bout a long, long, long... (long lasting love, long lasting love)
...lasting love, yeah (long lasting, long lasting love)
Talking 'bout a long... (long lasting love)
(Long lasting, long lasting love)
