

# Freckles

Thelma Plum

Do, do do, do, do do  
Do, do do, do  
Do, do do, do, do do  
Do, do do, do  
Do, do do, do, do do  
Do, do do, do

Do you think of me in the dark  
Or do I stay hidden in your heart  
All locked up without a key  
'Round and 'round I can't get no sleep  
Bite my lip and hold my tongue  
I learnt the words and I'll sing along

Do, do do, do, do do  
Do, do do

All those freckles on your face  
Are just kisses from the sun  
I wish I could take her place  
Oh I wish I was the one  
To warm you in the morning  
And hold you in the night  
All those freckles on your face  
Are so beautiful  
I can't face it

Do, do do, do, do do  
Do, do do, do  
Do, do do, do, do do  
Do, do do, do

I don't wanna be the only one  
Who's gonna get blinded by the sun  
Sitting up high in your little sky  
Do you dream about me in the night  
Bite my lip, hold my tongue  
I know this song so I'll sing along

Do, do do, do, do do  
Do, do do

All those freckles on your face  
Are just kisses from the sun  
I wish I could take her place  
Oh I wish I was the one  
To warm you in the morning  
And hold you in the night  
All those freckles on your face  
Are so beautiful  
I can't face it

Do, do do, do, do do  
Do, do do, do  
I can't face it  
Do, do do, do, do do  
Do, do do, do

I can't face it  
Do, do do, do, do do  
Do, do do

All those freckles on your face  
Are just kisses from the sun  
I wish I could take her place  
Oh I wish I was the one  
To warm you in the morning  
And hold you in the night  
All those freckles on your face  
Are so beautiful  
I can't face it

Do, do do, do, do do  
Do, do do, do  
I can't face it  
Do, do do, do, do do  
Do, do do, do

Do, do do, do, do do  
Do, do do, do  
Do, do do, do, do do  
Do, do do, do
