

Wish I could text you
But I don't know what to say
Do-do-do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do-do-do
Tell you I miss you
Explain why I went away
Do-do-do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do-do-do

You don't have a phone
And you're never alone
When I need you (When I need you)
If we could just talk
And go for a walk
Then I would tell you

What do you do
When a boy that you knew
Has a dog that you used to hang with
It makes my eyes blue
And my heart turns to goo
I still miss him
I wanna kiss him

But you belong to someone else
You belong, you belong, you belong, hey!
You belong
You belong to someone else
You belong, you belong, you belong, hey!
You belong
You belong to someone else
You belong, you belong, you belong, hey!
You belong
You belong to someone else
You belong, you belong, you belong, hey!
You belong

Looking through photos
Of when I called you mine
Do-do-do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do-do-do
Wish I could change things
Hey, and maybe go back in time
Do-do-do-do-do-do-do-do-do-do
Do-do-do-do-do-do-do-do-do-do

You don't have a phone
And you're never alone
When I need you (When I need you)
If we could just talk
And go for a walk
Then I would tell you (I would tell you)

What do you do (What do you do)
When a boy that you knew (Boy that you knew)
Has a dog that you used to hang with
It makes my eyes blue (Makes my eyes blue)

And my heart turns to goo (Heart turns to goo)
I still miss him
I wanna kiss him

But you belong to someone else
You belong, you belong, you belong, hey!
You belong
You belong to someone else
You belong, you belong, you belong, hey!
You belong
You belong to someone else
You belong, you belong, you belong, hey!
You belong
You belong to someone else
You belong, you belong, you belong, hey!
