

But It's Alright

Them

You don't know how I feel
You'll never know how I feel
When I needed you to come around
You always try to bring me down

Oh, but I know, girl, believe me when I say that
You are surely, surely gonna pay, girl
But it's all right, all right, girl
You can hurt me, but it's all right

Hey now, one day ah, you will see
You'll never find a guy like me
Who'll love you right both day and night
You'll never have to worry 'cause it's all uptight

Oh, but I'm tellin' you girl and I know it's true
That I was made to love only you
But it's all right, all right, girl
You can hurt me, but it's all right

Go on, yeah
Oh, oh, yeah
My my my baby, wow, yeah!

But it's all right, all right, girl
It's all right, all right, girl

Now there's one thing I want to say, hey, yeah
You'll meet a guy who'll make you pay
He'll treat you bad and make you sad
And you will lose the love you had

Oh, but I hate to say I told you so, but
Baby, you gotta gotta reap what you sow
But it's all right, all right, girl
You are payin' now, but it's all right

So goodbye, now, goodbye, girl
You're payin' now, say bye-bye
You hurt me once, you hurt me twice
Oh, but-a baby, that don't cut no ice
Hey, goodbye, baby...
