

Whoop Tang Flow

Theophilus London

Whoop tang flow (Flow), let things go (Go)
Can't see a nigga for my Van Gogh (Go)
Walked in slow (Slow), whoop tang flow (Flow)
Whoop, whoop tang flow (Whoop)
Whoop tang flow (Flow), let things go (Go)
Doors open up (Woo), whoop, whoop (Whoop)
Whoop tang flow (Flow), off-white blow (Blow)
Can't see a nigga black Van Gogh

Lots of tings are too toxic
Blessin' up, my team rocket
Johnny Knoxville obnoxious
I got lots of options on options
Dark skinned, the chocolate
Shorty co- coke with the chopstick
All white hat, man, I feel like Tom Brady
Your girlfriend, she shady, that ho tried to rape me
I'm outside, all black Mercedes, psych
Come outside, your Uber is waiting, uh
Kodak Black flow, all black, though
That coke all white, though
Yeah, it's on sight, ho
Fucked her, no tight clothes, I'm tighter than ever
Pussy get wetter (Yee), nigga, what's better? (Yee) Huh

Whoop tang flow (Flow), let things go (Go)
Doors open up (Woo), whoop, whoop (Whoop)
Whoop tang flow (Flow), let things go (Go)
Shorty, open up, go, go (Whoop)
Whoop tang flow (Flow), off-white blow (Blow)
Can't see a nigga, black Van Gogh
Whoop tang flow, kick, kick, kick (Woo, woo)
Whoop tang flow

It's all about this cream, you hear me, niggas?
We are the true facts, plus throwin' up stacks
The coupe is black, no rims
Just a fresh pair of Timbs and a fly bucket
That's mean inside, it's Supreme, fuck it
Off-Whites on, the blicky right on me
I got a light army, I love to fight calmly
He a real one, spin it up, peel somethin'
Make a move, shot down, blaow, he shoulda chilled, young

Whoop tang flow (Flow), let things go (Go)
Doors open up (Woo), whoop, whoop (Whoop)
Whoop tang flow (Flow), off-white blow (Go)
Shorty stiffened up, woo, woo (Whoop)
Whoop tang flow (Flow), let things go (Go)
Can't see a nigga, black Van Gogh
Whoop tang flow, let things go (Woo, woo)
Whoop tang flow

Whoop tang flow (Flow), let things go (Go)
Doors open up (Woo), whoop, whoop (Whoop)
Whoop tang flow (Flow), off-white blow (Go)
Shorty stiffened up, woo, woo (Whoop)

Whoop tang flow (Flow), let things go (Go)
Can't see a nigga, black Van Gogh
Whoop tang flow, let things go (Woo, woo)
