

If It's For You

TheOvertunes

I'm walking alone, I'm lonely
And I don't know
If I'm going to the right way

'Cause everybody has left me
I know which way they're going
But I know that they won't accept me

And the wind, yeah, the wind
Keeps on blowing against me
And the rain, yeah, the rain
Keeps on falling
But if it's for you, if it's for you
Then I'm okay

I've spent too much time
Believing in my dreams
Now I know I'm going nowhere

And the time keeps passing by
The path I take was once a solid rock
Which now blends with the dirt

And the lies, yeah the lies are dying
And the picture of you is fading
But I'll be remembering you, I'll be remembering you

And I won't give up, I won't give in
I will keep walking and running and shouting your name
I won't give up, no, I won't give in
I will never stop
'Cause it is for you, it is for you
And I'll be remembering you, I'll keep remembering you
Forever and always remembering you (keep, keep remembering you)
Keep, keep remembering you
Gonna keep, keep remembering you
Keep, keep remembering you
Keep, keep remembering you
Keep, keep remembering you
Keep, keep remembering you
Keep, keep remembering you
Gonna keep, keep remembering you
Keep, keep remembering you
Keep, keep remembering you
Keep, keep remembering you
