## Therapy?

Ooh, Tight it up!  
Woah

Fuck you man if you don't feel alright  
Fuck you man if you don't feel ok

'Cos I'm wired to the moon  
Stapled to the sky  
Happy as I am  
And I don't know why  
Wired to the moon  
Stapled to the sky  
Happy as I am  
And I don't ask why

Don't you ever, don't you ever make me feel worthless  
Don't you ever, don't you ever wake up alone

'Cos I'm wired to the moon  
Stapled to the sky  
Happy as I am  
And I don't know why  
Wired to the moon  
Stapled to the sky  
Happy as I am  
And I don't ask why

Yeah, yeah, welcome to my place  
Yeah, yeah, welcome home  
Yeah, welcome to fuckland

Clench the lightbulb, clench the lightbulb between my teeth  
Mister, I really hope you're on, really hope you're on the same buzz as me

'Cos I'm wired to the moon  
Stapled to the sky  
Happy as I am  
And I don't know why  
Wired to the moon  
Stapled to the sky  
Happy as I am  
And I never ask why

Yeah, yeah, welcome to my place  
Yeah, yeah, welcome home  
Yeah, welcome to fuckland

Yeah, yeah, welcome to my place  
Yeah, yeah, welcome home  
Yeah, welcome to fuckland

Baby you're really good

Dance, dance, dance, dance  
Dance, dance, dance, welcome to fuckland
