I Stand Alone

Therapy?

You've let me down again
Now I'm back in the dark
Where all is fear
And nothing is love
Consumed by grief
I'm swallowed
Panic eats me alive
I'm swallowed

I stand alone
I stand alone
I stand alone
(I'm swallowed)
I stand alone
I stand alone
I, I stand alone
I...

I am only a cork
Floating on the ocean
But underneath
Everything has teeth
Here comes another wave
I'm swallowed
By the blackest mess
I'm swallowed

I stand alone
I stand alone
I stand alone
(I'm swallowed)
I stand alone
I stand alone
I (Consumed by grief and sorrow) I stand alone
I (Consumed by grief and sorrow) I stand alone

If we let go at this stage
There will be no going back
The void will take it all away
If we let go at this stage
There will be no coming back
The void will take it all away
Hand in hand to nothing

I stand alone
I stand alone
I stand alone
(I'm swallowed)
I stand alone
I stand alone
I (Consumed by grief and sorrow) I stand alone
I (Consumed by grief and sorrow) I stand alone
I (Consumed by grief and sorrow) I stand alone

Consumed by grief and sorrow
