**Therapy?**

Don't look now, don't look now, don't look now, he's hiding in  
the shadows

With his little book, with his little book, with his little book,  
he's hiding in the shadows

Don't look now, don't look now, don't look now, she's hiding in  
the shadows

With her little book, with her little book, with her little book,  
she's hiding in the shadows

No more drugs for this young man

And no more drugs for this young lady

And don't ask me, I blame the parents

Don't you worry, it'll be OK

Don't you worry, it'll be OK

Don't you worry, it'll be OK (OK)

Don't you worry, it'll be OK (OK)

Don't you worry, it'll be OK (OK)

Sssh, sssh
