

Two Wounded Animals

Therapy?

Two wounded animals
Recently escaped
Two wounded animals
Trying to find a place
Herded like cattle
Butchered landscapes
Two wounded animals
Sick of being prey

Shorn of identity
Shelter
Security
All I want is my dignity
To feel human once again

Two wounded animals
Keep heads down low
Suffer discomfort
No place to go
Branded and catalogued
Anonymous parade
Buried, vacuumed, frozen
Penned in, erased

Shorn of identity
Shelter
Security
All I want is my dignity
To feel human once again
