

Wreck It Like Beckett

Therapy?

I am distracted
I am bored
I see everything
All at once
Wipe the slate
Leave it blank
Pare it down to the bone

Everyone's living all over each other
Everyone's living their life out loud
Everyone's fighting with one another
Shut off the picture, kill the sound

Wreck it
Like Beckett
Wreck it
Like Beckett

I can't afford
The life I'd like
Look in the mirror
It just laughs back
I feel helpless
I feel cursed
It doesn't get better than this
It gets worse

Everyone's living all over each other
Everyone's living their life out loud
Everyone's fighting with one another
Shut off the picture, kill the sound

Wreck it
Like Beckett
Wreck it
Like Beckett

On...
On...
On...
On...

Everyone's living all over each other
Everyone's living their life out loud
Everyone's fighting with one another
Shut off the picture, kill the sound

Wreck it
Like Beckett
Wreck it
Like Beckett

Wreck it
Wreck it
