I am distracted
I am bored
I see everything
All at once
Wipe the slate
Leave it blank
Pare it down to the bone

Everyone's living all over each other Everyone's living their life out loud Everyone's fighting with one another Shut off the picture, kill the sound

Wreck it Like Beckett Wreck it Like Beckett

I can't afford
The life I'd like
Look in the mirror
It just laughs back
I feel helpless
I feel cursed
It doesn't get better than this
It gets worse

Everyone's living all over each other Everyone's living their life out loud Everyone's fighting with one another Shut off the picture, kill the sound

Wreck it
Like Beckett
Wreck it
Like Beckett

On...
On...
On...

Everyone's living all over each other Everyone's living their life out loud Everyone's fighting with one another Shut off the picture, kill the sound

Wreck it Like Beckett Wreck it Like Beckett

Wreck it Wreck it
