

Never Again

Therion

Leader of all, elected I am by you, people
Leader of all, this I have risen to be, people

Ever, ever my friends, we stand together
Never, never again to fall from heaven

Leader of all - that is me
Leader of all - the U.S.E

People - we are as one, heading for glory
People - sing to the dawn, sing to the morning
Ever, ever my friends, we stand together
Never, never again to fall from heaven
People - we are as one, heading for glory
People - sing to the dawn, sing to the morning
