

Thy Will Be Done!

Therion

Thy will be done!

To battle! Conquer!

Grant us strength, enlighten our hearts
Christ, holy savior
Bless this ground, uncover thy path
Lead on and guide us

Lord, fulfill our souls
On the verge of tears

Lord, embrace us all
At the gates of heaven

Demons, demons, Satan's spawn
Godless, evil passion
Waltz around Johanna's heart, darkened
Leave! Be gone!

Lord, release thy child in the name of thee

Set me free, God, set me free
I trust in thee

Lord, eternally
Send thy grace, thy morning
