

Numbers

These New Puritans

What's your favourite number?
What does it mean?

Number 1 is the individual
Number 2 - duality
Number 3, ... numerology is all shit
Number 4 is the number that runs through this music

What's your favourite number?
What does it mean?

Numbers...

Every number has a meaning

What's your favourite number?
What does it mean?

Number 6 is the sword on your neck
Number 7 - surreality
Number 9, this is where the cycle ends
Number 10, here we start again
