

# The Mirage

These New Puritans

And here we go  
Go

We're building a new sky  
Secondhand suit, a rose for myself, I look to the sea, the sea looks at me  
Two bodies, Are you awake? Do you still exist? Dream forwards, never look back

And here we go  
Go  
I want to see the sky, ah  
Ah-ah, ah-ah, ah-ah, ah-ah

And I appear in the summer of death  
And I appear in the summer of death  
And I appear in the summer and the very next thing  
And I appear in the summer of death  
And I, And I appear in the summer of death  
And I appear in the summer of death  
And I appear in the summer and the very next thing  
Na na, na na na na na na,  
na, na na na na na na

Do you believe in the summer of death?  
Do you believe in the summer of death?  
Do you believe you'll awake from a very deep dream?  
Do you believe in the summer of death?  
Do you, Do you believe in the summer of death?

Do you believe in the summer of death?  
Do you believe you'll awake from a very deep dream?

Na na, na na na na na na  
na, na na na na na na, na na na na na na, na na na na na na, na na na na na na

Do you believe in the summer of life?  
Do you believe in the summer of life?  
Do you believe you'll awake from a very deep dream?  
'Cos you'll believe in the summer of life  
'Cos you, and I believe in the summer of life  
And I believe in the summer of life  
And I believe I'll awake from a very deep dream

And I appear in the summer of life  
As I appear in the summer of life, as I

Do you believe in the summer of life?  
Do you believe in the summer of life?  
Do you believe you'll awake from the very deep dream?  
Do you believe in the summer of life?  
Do you be- do you believe in the summer of life?  
Do you believe in the summer of life?  
Do you believe you'll awake from the very deep dream?

Secondhand suit, a rose for myself, I look to the sea, the sea looks at me  
Are you awake? Do you still exist? Dream forwards, never look back
