Go For G!

They Might Be Giants

Gorillas in the jungle Gazelles out in the field Goats are in the barnyard And gophers in their holes

Go, go, go, go for G Go, go, go, go for G You'll feel glorious, generous, gleeful and great When you go, go, go, go for G

Goof balls in their go-carts Girl scouts chewing gum Grandma with her gingerbread And the drummer plays a gong

Go, go, go, go for G Go, go, go, go for G You'll feel gracious, gigantic, grateful and glad When you go, go, go, go for G

Grapes, glue, gyroscopes

Go, go, go, go for G Go, go, go, go for G You'll feel glorious, generous, gleeful and great When you go, go, go, go for G
