

Oranges Testimonial

They Might Be Giants

Hey, this is John of They Might Be Giants.

You might know me better as one of the guys from They Might Be Giants.

You know, chemistry is like a relationship

and that's why when you're looking for web design, go to the best: The Chopping Block.

You might not know it, but over 50% of web designers are sleepy and cranky.

The Chopping Block, through farm living and an active internship

recruiting policy have over 10 million employees ready to serve

your corporate whatever-they-call-it.

Orange powered and web-fueled, The Chopping Block... e-solutions to e-everybody.

Oranges, oranges

Oranges and graphic design

The Chopping Block spends their time growing

Oranges, picking oranges

Then working on graphic design

The Chopping Block works all the time, all the time.
