How fast is the speed of light?
I don't know, did it say in the book?
How fast is the speed of light?
I don't know, did it say?

How could I know?
How could you ask me that?
How could I know?

How fast is the speed of light?
I don't know, did it say in the book?
How fast is the speed of light?
I don't know, did it say?

I'll ask John
I'll ask John
I'll ask John
I'll ask John
