Ain't The Same

THEY.

I'm too proud to say I'm sorry
Yeah we both crazy let's be cautious
I think you blocked my number
Why the fuck you blocked my number?

Up all night, been haunt to sleep
You won't talk to me
Can't get on my mind, know that I can't make it right if I see you
Why I can't reach you
Oh no, I can't remember the last time I saw your face
But I can remember the last time you felt this way
Last time I talked to you you told that you needed space
Tryna be me without you oh it just ain't the same

I'm too proud to say I'm sorry
But we both childish let's be honest, honest
That's why blocked my number
Why the fuck you blocked my number

Up all night, been haunt to sleep
You won't talk to me
Can't get on my mind, know that I can't make it right if I see you
Why I can't reach you
Oh no, I can't remember the last time I saw your face
But I can remember the last time you felt this way
Last time I talked to you you told that you needed space
Tryna be me without you oh it just ain't the same

I know we're protective
You're too dangerous missis
Talkin' all that shit that's why I never listen
Got the gangs niggas I have sent a message
With some picture with some nigga just to test me
Oh oh oh

Tryna be me without you oh it just ain't the same
