All Mine

THEY.

You still with that weak nigga?
He still on that bullshit?
Is that why you callin' me?
Cause you need that good dick

You know better than to talk shit
I pull up with that full clip
Ain't nothin' changed
Ain't nothin' changed

Ain't talked in a minute
You still all up in your feelings
Still need sexual healing
I got it waitin' right here, right here

Ohhhh
That pussy will always be mine
Even if I'm on the side
Them niggas are wastin' their time
You can't deny what you know

That pussy will always be mine
Even if I'm on the side
Them niggas are wastin' their time
That pussy will always be mine

Just keep me in the back of your mind
Just in case you need a reminder
Just in case you need a good time
Ohhhh baby

Ain't talked in a minute
You still all up in your feelings
Still need sexual healing
I got it waitin' right here, right here

Ohhhh
That pussy will always be mine
Even if I'm on the side
Them niggas are wastin' their time
You can't deny what you know

No matter how far you go
You got the keys to my door
Only my bed feels like home
That pussy will always be mine

Mine, mine, mine, mine
Mine, mine, mine, mine
