

Blü Moon

THEY.

Yeah, yeah

How you doin'? Girl you know we doin' this right
Guess you called me on the right night
Let's go

If we speakin' honestly
Let's cut out the modesty
I know what you want from me
I do, I do
Know I've been here before
Ain't gotta pretend no more
Knew what it was when you walked through the door
Through the door

I think you caught me on a blue moon
Girl, like you, there don't be no such thing as too soon
I been trying not to move the way I used to
Something 'bout the way you move I could get used to
Caught me on a blue moon
Girl, like you, there don't be no such thing as too soon
I been trying not to move the way I used to
Something 'bout the way you move I could get used to
(I could get used to this)

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Ohhhh

Never been the type to get starstruck
Think it's time a nigga call bluff
You got so much to offer
So I gotta keep it cautious

Ain't gotta say nothing, you know I been around the way
Skip the bullshit, you might as well just tell it to me straight
Girl, you been caught my eye
I'm thinkin' we might tonight
(Thinkin' we might tonight)

I think you caught me on a blue moon
Girl, like you, there don't be no such thing as too soon
I been trying not to move the way I used to
Something 'bout the way you move I could get used to
Caught me on a blue moon
Girl, like you, there don't be no such thing as too soon
I been trying not to move the way I used to
Something 'bout the way you move I could get used to
(I could get used to this)

Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, yeah
Ohhhh

Yeah, yeah

Yeah, yeah
Yeah, yeah
Yeah, yeah, yeah, yeah, yeah

This ain't gotta mean nothin' now
You way too sexy to be all by yourself
Oh, oh
