

## Broken

THEY.

We fall in love, you does the most  
But I question it all 'cause I'm still broken  
He gets tired, then he leaves  
Then I cry and I repeat  
Fall in love again, fuck it up again  
There's still the affect I cry  
Better being friends to avoid the pain  
I say I'm okay, I'm not

It's always the same  
It's like I'm lookin' for someone to save me  
Someone to blame  
So I can cry and ask you why'd you break me?

And now you say I didn't come broken  
And now you say you did it  
And now you say I didn't come broken (broken)

We fall in love, I do the most  
You question it all 'cause you still broken  
I give you space, let you breathe  
Flip it on me then it repeats  
I'm still up again, dissed you off again  
Give you love, this what I got  
Dissed me off again, acting out again  
Think it's okay, well it's not

It's always the same  
It's like I'm lookin' for someone to save me  
Someone to blame  
So I can cry and ask you why'd you break me?

And now you say I didn't come broken  
And now you say you did it  
And now you say I didn't come broken (broken)

And now you say I didn't come broken  
And now you say you did it  
And now you say I didn't come broken (broken)
