

Can't Let Go

THEY.

Take back everything you said on Friday night
I can't forgive and just forget, no, not this time
Girl, your words, they cut so deep inside my mind
But I just can't let go

I can't let it go
I can't let go, no
I can't let it go
I can't let go, no
I can't let it go

Swear you love to see me bleed
Rub it in my skin, it stings like poison
Think we need to let it breathe
'Cause ain't no picking up the pieces, yeah

How long can we let this disaster play on?
Ain't no reason we should be so jaded, so young
You bring out the worst, that's not loving someone
What you get, you deserve it all
You can

Take back everything you said on Friday night
I can't forgive and just forget, no, not this time
Girl, your words, they cut so deep inside my mind
But I just can't let go

I can't let it go
I can't let go, no
I can't let it go
I can't let go, no
I can't let it go
I can't let go, no
I can't let go, no

I can't let go, I can't let go, oh
I can't let go, I can't let go, no
