

**FWM**

**THEY.**

Remember when I used to lay the wood like fucking bamboo  
Used to be all in your head like some fucking shampoo  
New nigga got you pressed got you acting brand new  
How you gonna let him tell you what you can and what you can't do?  
Baby  
Oh

Last time I checked it was all smooth  
Last time I checked we was still cool  
What's up with all the distance?  
I can tell somethings different lately, yeah

How come you don't fuck with me no more?  
Fuck with me no more  
Baby  
I know I got what you craving for  
What you playing for  
Girl you can't be busy  
I know you got some free time  
Used to double text me now I can't get a reply  
Oh  
How come you don't fuck with me no more  
Fuck with me no more  
Tell me

I fell in love with them lips from the very first taste  
Told me I'm the only nigga ever make you squirt babe  
I should really fall back I don't wanna seem thirsty  
But I've been missing that ass in the worst way  
Oh

Last time I check it was all smooth  
Last time I checked we was still cool  
What's up with all the distance  
I can tell somethings different lately yeah

How come you don't fuck with me no more?  
Fuck with me no more  
Baby  
I know I got what you craving for  
What you playing for  
Girl you can't be that busy  
I know you got some free time  
Used to double text me now I can't get a reply  
Oh  
How come you don't fuck with me no more?  
Fuck with me no more
