

Set Me Free

THEY.

Jealousy's a drug, feel it in my veins
Smell it in the air, see it on their face
Wanna feel alive, still I'm out of place
Waitin' for my time, hope I'm not too late
I'm in the city full of lies, started out as dreams
Victims of our pride and insecurities
I'm tryna get back to myself or who I used to be
Lost my train of thought with my sanity

I'm on my knees
Prayin' that somebody
Will come and set me free
What do you want from me?
See me runnin', don't come for me
Just let me be

Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh
Ooh-ooh, ooh-ooh, ooh-ooh, ooh-ooh

Even wrong, I never said I'm right
Hope this feelin' doesn't stay the night
Way too deep in this state of mind
Maybe there's really no savin' me
Maybe this world ain't the place for me
I gotta stop thinkin' these crazy things

Nah-nah, nah-nah, nah-nah
Set me free, set me free
Nah-nah, nah-nah, nah-nah
Set me free, set me free
Nah-nah, nah-nah, nah-nah
Set me free, set me free
Nah-nah, nah-nah, nah-nah
Set me free, set me free
