

Straight Up

THEY.

Come round me
Imma show you why these girls talk 'bout me
Have your body singing like do re mi
All thru the night never get no sleep
Never seen nobody take control like me
Send you location baby come and see
Know I got you feenin like Jodeci
Let me be the remedy yeah yeah

Straight up
Yeah only I can give it to ya
Straight up
Show me you can take it baby
Straight up
You know I'm never playin' bout ya
Straight up

Let's make plans
Let link up
Let's be 'bout it
Got you wet
Got me drunk
Now we drowning
Crashing out
Pussy good
I'm surrounded
We on round
Number 4
But who's countin'

I know you ain't quick to switch sides
You look like you tryna feel something real again
Baby I been putting in time
Can you hear me out
I'm tryna hold you down

Come round me
Imma show you why these girls talk 'bout me
Have your body singing like do re mi
All thru the night never get no sleep
Never seen nobody take control like me
Send you location baby come and see
Know I got you feenin like Jodeci
Let me be the remedy yeah yeah

Straight up
Yeah only I can give it to ya
Straight up
Show me you can take it baby
Straight up
You know I'm never playin' bout ya
Straight up

Straight up
Yeah only I can give it to ya
Straight up
Show me you can take it baby

Straight up
You know I'm never playin' bout ya
Straight up
