

# Wait On Me

THEY.

Wait on me  
Anything you want  
I can be  
I'm cuffed up  
When I break free  
I'm comin' for your heart  
Just wait on me, baby

Girl, you love to doubt me like I won't pull the trigger  
Talkin' like you gon' go out and find a new hitter  
I ain't playin' games with you, I ain't blowin' smoke  
Always kept it straight with you, you the one I want

It's just a matter of time (Oh)  
Workin' on cuttin' the ties (Oh)  
Just keep your love on the line  
You know you supposed to be mine  
I'm makin' it right

Wait on me (Me)  
Anything you want (Want)  
I can be (Be)  
I'm cuffed up (Up)  
When I break free (Free)  
I'm comin' for your heart (Your heart)  
Just wait on me, baby, uh  
Wait on me (Me)  
Anything you want (Want)
